

WHY WOULD WE COMMIT THE SHEER **FOULRY** OF ENGAGING CAPITALISM IN COMBAT?

INDEED, THE GIANT AND I HAVE BEEN **ALLIES** IN GLORIOUS BATTLES PAST!

The world-devourer seeks to kill the billions of sentient beings residing on this planet!

Terran super-humans must stop **CAPITALISM** - as you have done before!

INDEED, THAT IS WHY WE WERE SUMMONED.

OUR COURSE OF ACTION IS BOTH LOGICAL AND CLEAR.

WE MUST STOP **CAPITALISM**.

# PARTHENOGENESIS

is Real! Don't give up.

## Symbols inside a Skull

The grotesque painting at left, reminiscent of Hieronymus Bosch's art, was made by a 26-year-old schizo-

phrenic artist. Raised on a prairie farm in midwestern Canada, he had experienced such a brutal childhood that he had become extremely withdrawn, eventually retiring into a private world of weird fantasies. In one of these, he imagined that if he cut the flesh off his arm (lower right chamber) he would be shocked back into human feelings. When he actually made some cuts on his arm, he was admitted to a hospital for psychiatric treatment. Here he set to work
